About the Institute:

CHAITANYA BHARATHI INSTITUTE OF TECHNOLOGY, established in the Year 1979, esteemed as the Premier Engineering Institute in the States of Telangana and Andhra Pradesh, was promoted by a Group of Visionaries from varied Professions of Engineering, Medical, Legal and Management, with an Objective to facilitate the Best Engineering and Management Education to the Students and contribute towards meeting the need of Skilled and Technically conversant Engineers and Management Professionals, for the Country that embarked on an Economic Growth Plan. The Institute, committed to Education and Innovation, started with three-Degree Courses in Engineering for 200 Students and over the 45 Years, has emerged as a Dream Destination for Students seeking to excel in Engineering and Management Education, Teaching Community to progress with a rewarding Career and Corporates to source well-rounded Engineers.

About the CSE & IT Departments:

The Department of CSE started its B.E. program in 1985 with 20 students and now accommodates 300. The M.Tech program was introduced in 2002 and later expanded in 2011. The department, supported by well-equipped labs, received its first NBA (AICTE) accreditation in 1998 and has been reaccredited in every cycle, most recently in 2024.

The Department of IT was established in 2001 with an intake of 60 students and currently accommodates 180. With strong academic culture and modern labs, the B.E. (IT) program received its first NBA accreditation in 2007 and has been consistently reaccredited in subsequent cycles.

About ICICT - 2025:

The International Conference on Innovative Computing Technologies (ICICT 2025) is a premier event dedicated to the latest advancements in a wide range of fields, including (but not limited to) Artificial Intelligence, Machine Learning, Deep Learning, Data Science, Distributed Systems, High-Performance Computing, Augmented and Virtual Reality, Industry 4.0, Networking, Security, and Communications. The conference provides a dynamic platform for scholars, professionals, and industry leaders to share insights, discuss challenges and opportunities in emerging fields, and explore the latest developments in this evolving sector. It fosters meaningful information exchange through discussions and the exploration of emerging trends among researchers, practitioners, and industry experts.

All presented papers will be published and indexed in

<https://benthambooks.com/future-series-by-subject/energy-science-technology/sub-category/transportation/>

Tracks of the Conference:

(but not limited to)

1. Artificial Intelligence and Machine Learning, Data Science and Analytics.
2. Smart Systems, Quantum Computing and Emerging Technologies.
3. Distributed, Networking, Communication, and Security.
4. Image Processing, Computer Vision, IoT and Robotics.
5. High Performance, Cloud, and Green Computing

Important Dates:

Submission of the paper : 15th October 2025
Acceptance of the Paper : 8th November 2025
Camera Ready Paper submission and registration : 15th November 2025
